

# RAHIL BIN MUSHFIQ

WEB DEVELOPER

Uttara, Dhaka | [rahilbinmushfiq@gmail.com](mailto:rahilbinmushfiq@gmail.com) | [Portfolio](#) | [LinkedIn](#) | [GitHub](#)

## WORK EXPERIENCE

**Assistant Web Development Manager** | GAOTek Inc. | USA (Remote) October 2023 – Present

- Led the Web Development team to assign and manage tasks related to web development.
- Involved in researching and adding robust features in the update of company's website project.
- Conducted daily meetings to review and guide the interns with instructions for the tasks.

**Web Development Intern** | GAOTek Inc. | USA (Remote) September 2023 – October 2023

- Assisted in the development of new websites, and added new contents to the existing website.
- Collaborated with the Web Development team to resolve website related issues.

## PROJECTS

**Game On** | Game Review Web App | [Live Demo](#) | [Source Code](#) February 2023 – May 2023

A game review web app where users can search and filter games, as well as read and submit reviews.

- Developed an interactive single-page web application with **reusable React components**.
- Implemented Next.js server-side rendering and image optimization to **enhance app performance**.
- Designed a **modern and responsive user interface** using Tailwind CSS.
- **Integrated backend functionalities** with Firebase to manage data and enhance security.
- **Managed user session** with authentication context using React Context API.

**Portfolio** | Developer Portfolio Web App | [Live Demo](#) | [Source Code](#) May 2023 – July 2023

A portfolio web app to showcase the technical skills of a developer and his personal projects.

- Built a dynamic and interactive user interface using **React and its reusable components**.
- Optimized with Next.js to develop a **fast and SEO-friendly** web application.
- **Designed the app interface** in Figma whilst following the UI/UX principles.
- Implemented the design using Tailwind CSS to achieve a **pixel-perfect, responsive, and modern UI**.

Moreover, I've built two **WordPress websites** at GAOTek: [Enviro Test Pro](#) and [Amuse Tech Solutions](#).
